“MATIKAS SA SIPNAYAN, MASIGASIG SA SIYENSYA”

The Fatima Mathematics Society (FMS) is a recognized academic-based organization of Our Lady of Fatima University. The Society aims to develop students' mastery enthusiasm in the field of Mathematics. The FATIMA Mathematics organization together with Mathematics and Physics Department will have the annual Mathematics Week this coming February 18-20, 2016 with the theme **“Matikas sa Sipnayan, Masigasig sa Siyensya.”**

Related to this, the university would like to encourage the Division of City Schools of Antipolo City, both public and private schools particularly Grade 10 students to join the **4th Mathematics Quiz Bee** this coming February 19, 2016 at 8:00am at the Juliet Santos Building (JSB) Audio – Visual Room, OLFU, Antipolo Campus. (Attached herewith is a copy of the invitation to High Schools and, Mechanics and Application Form)

For any inquiries, you can contact Mr. Juliето C. Comendador Jr., FMS Adviser, at 09228961265 or you may send your application to: julietocomendador@yahoo.com.

Dr. Rommel C. Bautista, CESO VI
Schools Division Superintendent
Department of Education
Antipolo City

Dear Madam:

Greetings!

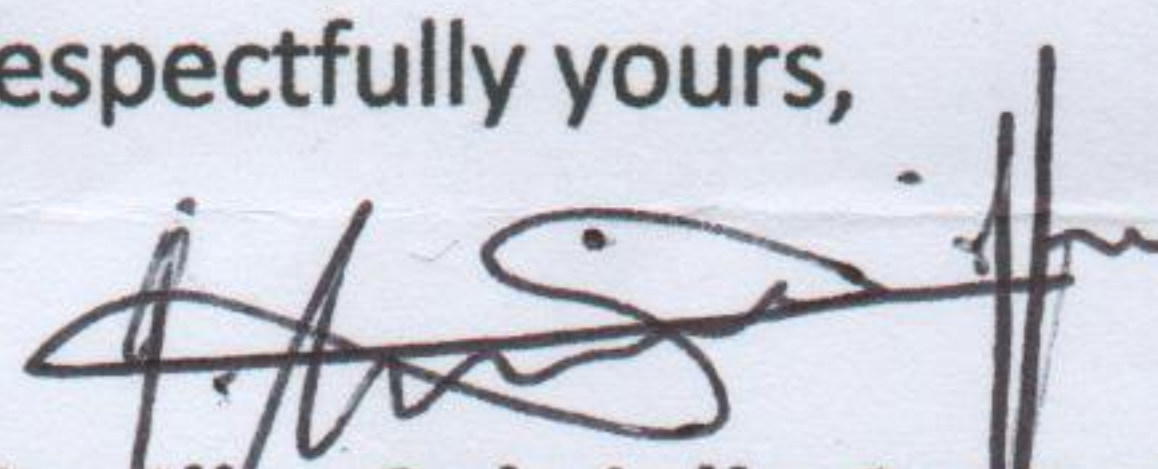

The Fatima Mathematics Society (FMS), a recognized-academic based organization of Our Lady of Fatima University, together with Mathematics and Physics Department will have the annual Mathematics Week this coming February 18 - 20, 2016 with the theme "**Matikas sa Sipnayan, Masigasig sa Siyensya**".

Related to this, the university would like to encourage the Division of City Schools of Antipolo City, both public and private schools particularly Grade 10 students to join the **4th Mathematics Quiz Bee** this coming February 19, 2016 at 8:00 a.m. at the Juliet Santos Building (JSB) Audio-Visual Room, OLFU, Antipolo Campus. (Attached herewith is a copy of the invitation to High Schools and, Mechanics and Application Form)

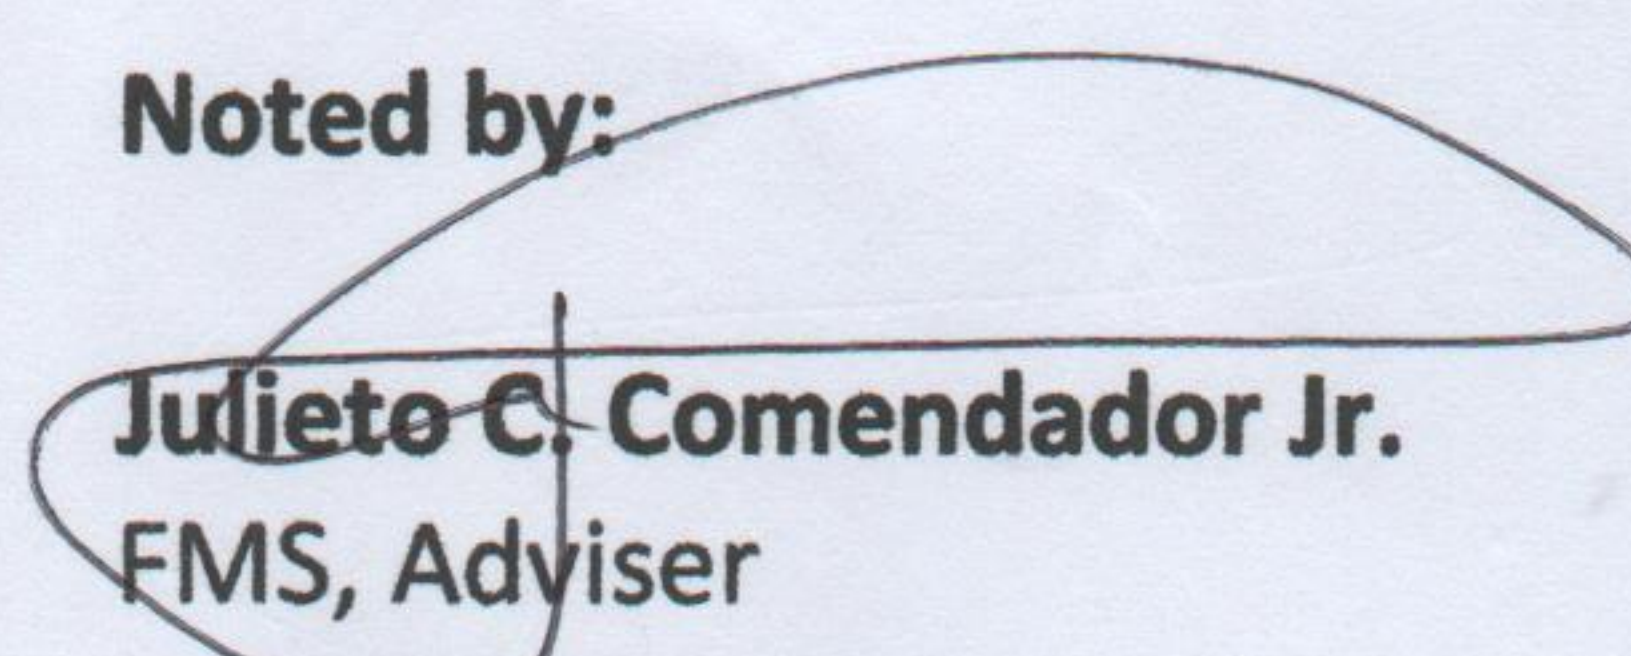

The university is looking forward to your positive response on this humble request. Together, let us make learning fun and interactive.

Thank you and more power!

Respectfully yours,

Ma. Ilka Gabrielle Soriano
FMS President

The School Administrator/Principal

Dear Sir/Madam:

Greetings of peace!

The Fatima Mathematics Society (FMS) is a duly recognized academic-based organization of Our Lady of Fatima University. The Society aims to develop students' mastery and enthusiasm in the field of Mathematics. The FATIMA Mathematics organization together with the Mathematics and Physics Department will be celebrating its annual Mathematics Week this coming February 18 – 20, 2016 with this year's theme "**Matikas sa Sipnayan, Masigasig sa Siyensya**".

In line with the celebration of the aforementioned event, we are pleased to invite your schools to participate in **the 4th Mathematics Quiz Bee** to be held on February 19, 2016 (Friday) 8:00 am at the Juliet Santos Building (JSB) Audio-Visual Room, OLFU, Antipolo Campus. The Quiz Bee is open to Grade 10 students from neighboring schools in Rizal.

The contest aims to showcase the Mathematical skills of high school students and foster the spirit of competition and fairness.

Should your school be interested to join the competition, attached herewith the mechanics and registration form.

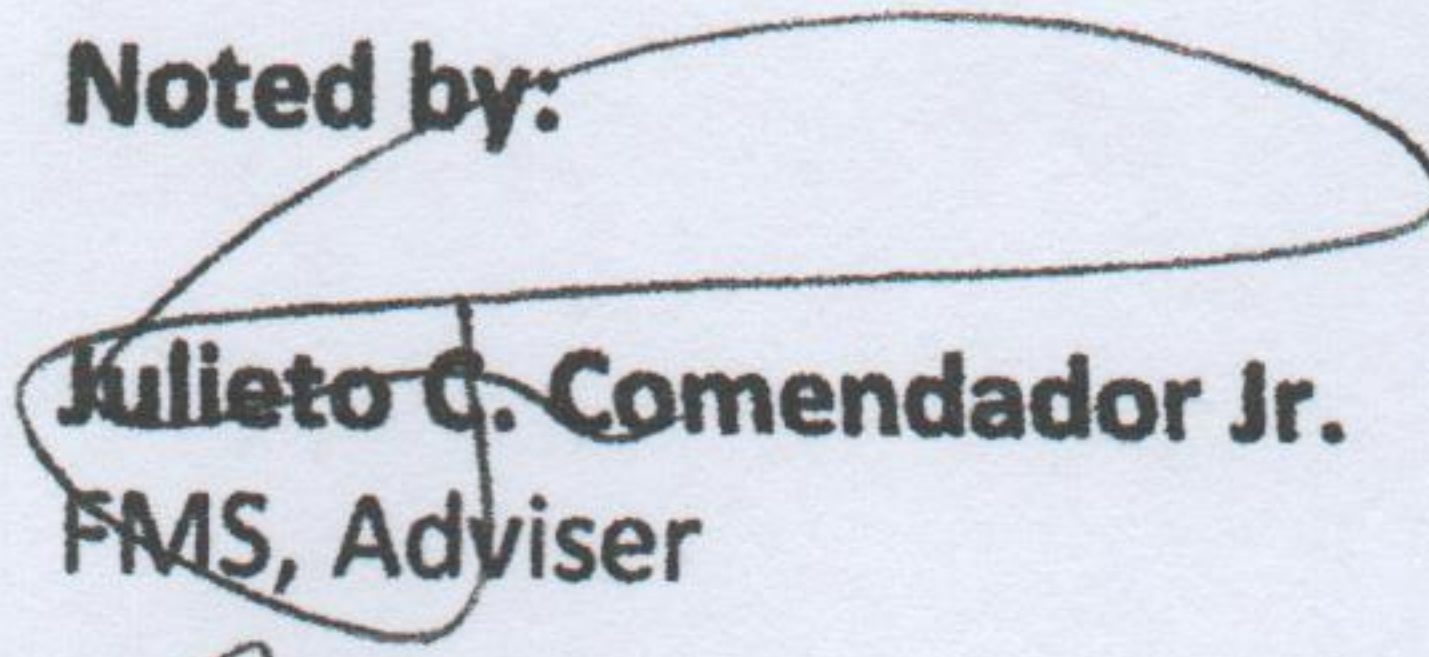

We are looking forward for your participation on this invitation. *Let's make learning fun and interactive as we participate in this event!*

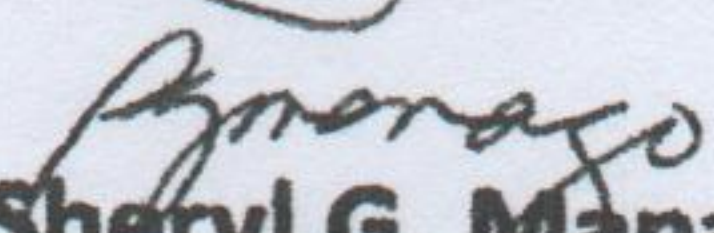

Thank you and may God bless you more!

Respectfully yours,

Ma. Ilka Gabrielle Soriano
FMS President

General Guidelines

1. The quiz bee is open to Grade 10 students.
2. Each school may send a maximum of two (2) teams. Each team is composed of two students of any gender combination (male-male, female-female or female-male).
3. Participating schools must pre-register by sending their registration forms by e-mail, fax or hand-carry on or before February 8, 2016.
4. On the contest proper, registration is from 8:00-8:30 am. Only registered teams will be allowed to join.

Quiz Bee Proper

1. The topics shall cover the following:
 - a. Elementary Algebra,
 - b. Intermediate Algebra,
 - c. Trigonometry,
 - d. Basic Statistics and Probability, and
 - e. Geometry
2. All participating teams will be given a chalk, board, and scratch paper. The quiz bee will have three rounds.

Round	No. of Items	Point System	Time Limit
Easy	10	1 point	10 seconds
Average	10	3 points	20 seconds
Difficult	10	5 points	30 seconds

3. The usage of calculator is prohibited.
4. The score from the three rounds will be tallied to determine the first, second, and third place winners.
5. In case of tie, clincher questions will be administered.

Clarifications

Clarifications on the question can only be raised by the coaches to the panel of judges. The head of the panel has the sole right to pronounce a question void. No questions or clarifications will be entertained after posting the next question or replacement of it.

Prize

All participants and coaches will be awarded with certificates. Winning teams, coaches, and school will be awarded with medals, plaques, and trophies respectively.
