OFFICE OF THE SUPERVISOR

Dear Dr. Bautista:

Greetings!

The City of Antipolo Institute of Technology (AiTECH) would like to conduct a **Career Orientation Program** to the **different public and private high schools** in the division of Antipolo City starting this **February 22, 2016**. This activity aims to provide information about AiTECH offering **Senior High School Program** anchored on the Science, Technology, Engineering and Mathematics (STEM) Track in line with the K to 12 implementation. This is also to promote AiTECH's flagship program, **Bachelor of Science in Construction Engineering**, and the **various privileges** awaiting for successful student-applicants.

In this light, may we **ask for your permission** to proceed with the aforementioned activity. As our partner in developing the full potential of young Antipoleños, we believe that we have to work hand-in-hand in making quality tertiary education accessible to all.

We are looking forward for your positive response regarding this matter.

Thank you very much!

In the name of public service,

**ERLINDA C. PEÑANCO, Ed D**  
AiTECH President
