Dear Dr. Bautista,

Greetings of peace and love!

LSCA has just turned 31 as we celebrate this year our Foundation Anniversary with its theme **“Innovating and Radiating the Animo Within”**. Aside from the various of programs and activities organized for this celebration, we will also provide a special opportunity for the youth to participate in the celebration. As Lasallians we want to share to others the gift that St. John Baptist de La Salle offered to myriads of boys and girls, men and women of different times, race, color, social status and even religion, the “Lasallian Way” of being and acting. There is something in the Lasallian education system that produces men and women that are able to teach minds, touch hearts and transform lives. Indeed, as Lasallians we cannot just keep it to ourselves but instead should radiate the Animo from within.

With this in mind, we will be having a Leadership Seminar/Workshop entitled **“SHARING THE ANIMO”** this coming Friday, February 5, 2016 at the St. Benilde Gymnasium, LSCA San Luis Campus, Antipolo Town and Country Heights, Brgy San Luis, Antipolo City from 8:00 am to 5:00 pm and we are inviting 2-4 fourth year student leaders coming from the different High Schools in the Division of Antipolo City to participate in the said seminar. Seminar registration is free and we will be offering snack and lunch to all the participants. The following schools are invited to send participants:

This whole-day event seeks to expose student leaders to the Lasallian Leadership Program and indeed the opportunity to learn the Lasallian way of being and acting as a Leader. These students will not only learn the Lasallian Way of Leadership but will also be mingling and working with our Lasallian Student Leaders during the workshops. Please feel free to contact Mr. Peter Miles Sollesta at 09266193226 for more additional information. Attached herewith is the program of the day.

We are looking forward for your full support in this endeavor, and it is our prayer that we will be able to instill the seeds of the Lasallian spirit of leadership which hopefully they can use not only in their leadership endeavors but as persons longing to be of service to God, to country and his/her neighbor.

Live Jesus in our Hearts, Forever!

Sincerely yours,
