Dr. Merthel M. Evardome

Acting Assistant Schools Division Superintendent
Officer-in-Charge, Office of the Schools Division Superintendent
Division of Antipolo

Dear Dr. Evardome,

Greetings!

2015 marks the 10th founding year of Berea Arts and Sciences High School. In line with this, we have an array of events and activities lined up to celebrate this important milestone.

One of these events is the 1st Berea Lecture Series on February 28. Through the Berea Lecture Series, we hope to contribute to the continued development of teachers in our region. For this lecture, we invited Mr. Eudenic V. Palaruan from the University of the Philippines College of Music to talk about music and arts and the important role they play in the field of education.

A piano recital and some music performances featuring Benedict John Jasmin, the Berea Guitar Ensemble, and the Berea Angklung Ensemble will follow after the talk.

With this, we would like to invite teachers and educators from private and public schools to attend this free seminar. We request DepEd Antipolo's help in disseminating this invitation. Registration is at 7:30 to 8:30 a.m.

Should you have inquiries and other concerns, you may contact us through any of the communication channels listed below.

Thank you for supporting the endeavors of the Berea Community!

Sincerely yours

AURELIO P. RAMOS JR.
President
