

UNNUMBERED MEMORANDUM

TO : Education Program Supervisors / Coordinator for Mathematics
All Public Secondary Schools

FROM : *by: Alfan*
for **DR. MERTHEL M. EVARDOME**
Acting Assistant Schools Division Superintendent
OIC-Office of the Schools Division Superintendent

SUBJECT : **SEMINAR-TRAINING IN MATHEMATICS, "MAXIMIZING THE USE OF TECHNOLOGY IN THE TEACHING AND LEARNING OF MATHEMATICS FOR GRADE 10"**

DATE : February 13, 2015

With reference to endorsement sent to this Office by Mrs. Rowena I. Zapanta of City Planning and Development Office with regard to the invitation of Professor Aileen A. Diansuy, President, Mathematics Teachers Association of the Philippines TL Chapter, for the conduct of Seminar-Training entitled "Maximizing the Use of Technology in the Teaching and Learning of Mathematics for Grade 10, this Office informs all secondary school heads to send two (2) teachers teaching mathematics (Algebra and Geometry), which will be held at Hinulugang Taktak Conference Room, Antipolo City Hall on February 26, 2015.

Attached are Program of Activities, letter from MTAPTL President and endorsement from the City Planning Office for reference.

For information, guidance and attendance.

Intramuros

Prof. Regin Carlos F. Tambo-Ong
Universidad de Manila

Greetings!

The Mathematics Teachers Association of the Philippines-Tertiary Level Chapter has continually adhered to its ideals in promoting mathematics in its various fields. To attain this, we will be conducting free seminar-trainings for high school teachers in mathematics all over the Philippines. The training aims to enrich the teaching of Grades 10-12 mathematics by incorporating technology among others. For a start, we are reaching out with the City of Antipolo.

In this connection, the Mathematics Teachers Association of the Philippines-Tertiary Level Chapter in cooperation with Business Plus Marketing (official partner of CASIO JAPAN) and DEPED ANTIPOLO will conduct a teacher seminar-training entitled: *"Maximizing the Use of Technology in the Teaching and Learning of Mathematics For Grade 10"* on February 26, 2015 at Hinulogang Taktak Conference Room, Third Floor Antipolo City Hall, Carigma Corner M. L. Quezon Street, Barangay San Roque, Antipolo City.

The seminar- training will cover topics in Patterns and Algebra (sequences, series, polynomials, polynomial equations, and polynomial functions); geometry (circles and coordinate geometry); and statistics and probability (combinatorics and probability, and measures of position).

Your attendance is a great indication of your desire to improve your craft of teaching mathematics to our valued clients- the students.

Truly yours,

Prof. Aileen A. Diansuy
President
MTAPTL Chapter

2 teachers per school

SEMINAR-TRAINING
Maximizing the Use of Technology in the Teaching and Learning
Mathematics
For Grade 10

Hinulogang Taktak Conference Room
Antipolo City Hall
February 26, 2015

7:00-8:30	Registration	Ms. Marinyl Mendoza Mr. William Sagala
8:30 –9:00	Opening Ceremonies	
	Invocation	c/o DEPED ANTIPOLO
	National Anthem	c/o DEPED ANTIPLO
	WELCOME ADDRESS	HON. CASIMIRO A.YNARES III, M.D. City Mayor Antipolo

AM Snacks

9:00 – 12:00 TRAINING PROPER

“ Maximizing the Use of Technology in the Teaching and Learning of Mathematics in Grade 10”

Session 1 : Algebra (sequences, series, polynomials, polynomial equations, and polynomial functions)
Prof. Aileen A. Diansuy
Pamantasan ng Lungsod ng Maynila

Session 2 : Geometry (circles and coordinate geometry)
Prof. Janette C.Lagos
Pamantasan ng Lungsod ng Maynila

12:00-1:00 Lunch

1:00-2:00 **Session 3: Statistics and Probability (combinatorics and probability, and measures of position)**
Prof.Raymond M.Ang
University of the East

2:00-3:00 **WORKSHOP**
P.M. Snacks

3:00– 4:00 **Presentation of Output- Selected Participants**
