DIRECTOR  
MALACANANG REFORMS OFFICE

For this purpose, the government shall demonstrate access to higher education by institutionalizing a college scholarship program to be named the "Yokor ng Boyon Program" for top graduates of public high schools in the country, subject to the academic standards, application and admission policies and such other reasonable rules and regulations of state universities and colleges (SUCs).

**SEC 3. Coverage** - The academic scholarships provided under the "Yokor ng Boyon Program", hereinafter referred to as the Program, shall cover all public high school students belonging to the top ten (10) of the graduating class, based on the guidelines and criteria set by the Department of Education (DepED) who will enroll in SUCs as freshmen. Provided, That they meet the admission requirements of the SUCs where they intend to enroll in.

A public high school with more than five hundred (500) graduates shall be entitled to one (1) additional scholarship slot in SUCs for every five hundred (500) graduates. The additional slots shall be given to graduates whose ranks immediately follow the top ten (10) students and who will enroll in SUCs after meeting the admission requirements for freshmen.

**SEC 4. Admission in SUCs** - Any public high school student who belongs to the top ten (10) bracket of the graduating class shall be entitled to the scholarship grant provided under this Act in any SUC of choice upon compliance with the following conditions:

(a) The student has graduated from any public high school in the country within two (2) years prior to the academic year being applied for in the SUC;

(b) The student has complied with the application requirements of the SUC;

(c) The student's rank is reported by the public high school principal or administrator in a certificate bearing the name of the school and its location, the number of students, the rank of the student applicant in the graduating class and other relevant information; and

(d) After taking the entrance examination in the chosen SUC, the student has obtained a rating which has been designated by the SUC as the program being for a student to be able to qualify for the scholarship program.

Provided, That for the next six (6) years in the implementation of this Act, beginning SY 2015-2016, admission to their SUCs of choice within their region shall be automatic for the top ten (10) graduating students of public high schools.

**SEC 5. Limitation in the Acceptance of Top Public High School Graduates by SUCs** - All SUCs shall provide scholarships to qualified public high school graduates under this Act. Provided, That the applicants have successfully passed the entrance examination and have complied with the admission requirements of the SUCs.

The SUC, however, may limit the number of students to be admitted under this Act if the number of applicants eligible and applying for admission exceeds by more than five percent (5%) the average number of first-time freshmen admitted to the SUCs during the first two (2) academic years preceding the entry of the applicants.

The Commission on Higher Education (CHED) and the concerned SUCs shall establish the appropriate guidelines on the acceptance of top public high school graduates.

**SEC 6. Support to the Program** - The following government agencies/agencies shall provide support for the effective implementation of the Program.

1. Government Agencies - these government agencies shall implement the following mandates:

(a) CHED

(1) Conduct a review of the number of graduating public high school students in each province to ensure that the SUCs therein have the capacity to absorb the Yokor ng Boyon

(2) Together with the STOCs develop a system, including the appointment of advisers which shall provide assistance and guidance to the scholars in the determination of the appropriate course and the STOC which will best suit their aspirations and strengths and

(3) Ensure the STOCs compliance with the law by DepED

(1) Disseminate information to all public high schools on the implementation of the Program and the availability of scholarship slots;

(2) Conduct a census of the number of graduating public high school students in each province for submission to the CHED.

(3) Identify the top ten (10) graduates in each public high school, as well as the additional top graduates in case the public high school has more than five hundred (500) graduates;

(4) Provide timely reminders about the Program to all public high schools towards the second half of the school year in order to give the prospective top graduates ample preparation time to apply for the Program; and

(5) Ensure compliance by all public high schools.

(c) STOCs

(1) Provide information to the faculty, administrative officials and staff and parents about the Program;

(2) Inform the CHED of their capacity to absorb the students applying under the Program;

(3) Provide a summer bridge program should the scholar fail to meet the academic admission requirements for his or her preferred course in order to enable the scholar to comply with the minimum academic requirements and/or allow the scholar to enroll in another course; and

(4) Ensure that full assistance is granted to the scholars to enable them to avail of the Program.

If Local Government Units (LGUs) - LGUs are encouraged to create their own scholarship program.

The Department of Labor and Employment (DOLE) is encouraged to submit an annual report to the STOCs in their respective province or region containing projections on employment opportunities and job openings.

III. Private Higher Education Institutions (PHEIs) - PHEIs are encouraged to create their own version of the Program

IV. Private Corporations - Private corporations are encouraged to support the Program under their corporate social responsibility projects.

SEC. 7. *Limitations of the Program* - The scholarship grant provided under this Act shall be limited to the full amount of tuition and other school fees for the first year of college. Thereafter, the student beneficiary shall be covered by the regular student financial assistance and scholarship programs of the CHED, if qualified, subject to the guidelines that the CHED may provide.

SEC. 8. *Reporting Requirements of STOCs* - Each STOC shall report annually to the CHED on or before a date set by the Commission. The report shall include the number of students admitted under the Program, the courses they are enrolled in, their academic standing and other relevant information that will help improve the Program. The CHED shall also provide Congress a copy of the report.

SEC. 9. *Performance Monitoring and Impact Assessment* - The Program shall be evaluated rigorously by the CHED in terms of its impact on desired results and its progress towards achieving them shall be monitored regularly. The CHED shall clearly define those results and their target values. Impact evaluation shall be measured against among others:
